

## BARK BUS RIDER INFORMATION

- \*All dog riders **must have a reservation** and have filled out Shuttle Agreement Form;
- \*Cost is \$10 per dog – round trip;
- \*All dog riders must provide their own leash and will be loaded/unloaded from Bark Bus on leash;
- \*Current Heights Schedule:

**Mornings** – Bark Bus will park at Sissy's Log Cabin parking lot (corner of Grant and R Streets) from 7:15am – 7:45am. Dog Riders must be at this designated meeting place for transport back to Canine Country Club. The driver will not wait as the van will pull out by 7:46 to come back to CCC. Each dog will be crated for safe transport.

**Afternoons** – Bark Bus will park at Malvern National Bank (corner of Taylor and R Streets) from 5:00pm – 5:30pm. Owners must collect their dogs within the allotted 30 minute time frame. We will not wait past 5:30 for an owner. If the owner is running late, they can collect their dog from Canine Country Club.

We would like a current, accessible email address from each owner as well as a good cell number for texting purposes. There will be times that we will have to use one of the communication methods to reach owners on an urgent basis (i.e., Bark Bus stuck in traffic, etc.)

Additional neighborhood schedules are being worked out, i.e, Pleasant Valley, Chenal, etc. More details will follow.

No exceptions: ALL DOG RIDERS MUST HAVE A RESERVATION AND A SIGNED SHUTTLE AGREEMENT FORME
