

Emergency Care Authorization

I, the undersigned, authorize Canine Country Club of Arkansas, to take my dog(s) _____

_____ to CCC's on call vet or the nearest Animal Hospital for care/treatment in the case of emergency. Canine Country Club (CCC) has my permission to administer or arrange for any care /treatment deemed necessary. I will be solely responsible for all payments, in full, for any veterinary or other care/treatment provided for my dog(s). I also understand and agree that severe emergencies may require treatment before I am contacted.

Playgroup/Socializing

There is inherent "rough housing" in playgroup. All dogs are screened for aggression, but dog scuffles can still occur. It is also possible for scratches, scrapes and small punctures to happen during play sessions. In the event of an injury, if needed, Canine Country Club of Arkansas will make you aware that we are taking your dog to our on-call vet for medical attention.
